

## 1. Wake Up to Love

Who doesn't want to welcome more love into their daily life? Our gorgeous "Love" dream kit encourages affirmative thoughts on love so that your restful slumber is filled with love and light!

We all want love and we all need love. It's a basic and essential human need that colors our world and supports us while we pursue our life goals. Our gorgeous Victorian pillowcase with the word "Love" elegantly imprinted on it in a flowing and feminine font style will remind you to treat yourself kindly and gently as you work on personal development issues related to attracting and keeping more love into your life.

The lavender sachet that is included in your dream kit will rock you gently into sweet dreams as its bouquet of sweet-scented organic lavender soothes tension, doubts, and fears about being loved or loving others. Your mind will relax and as you drift off gently into restorative sleep the final word that you'll see and remember is the most important word of all—Love.
